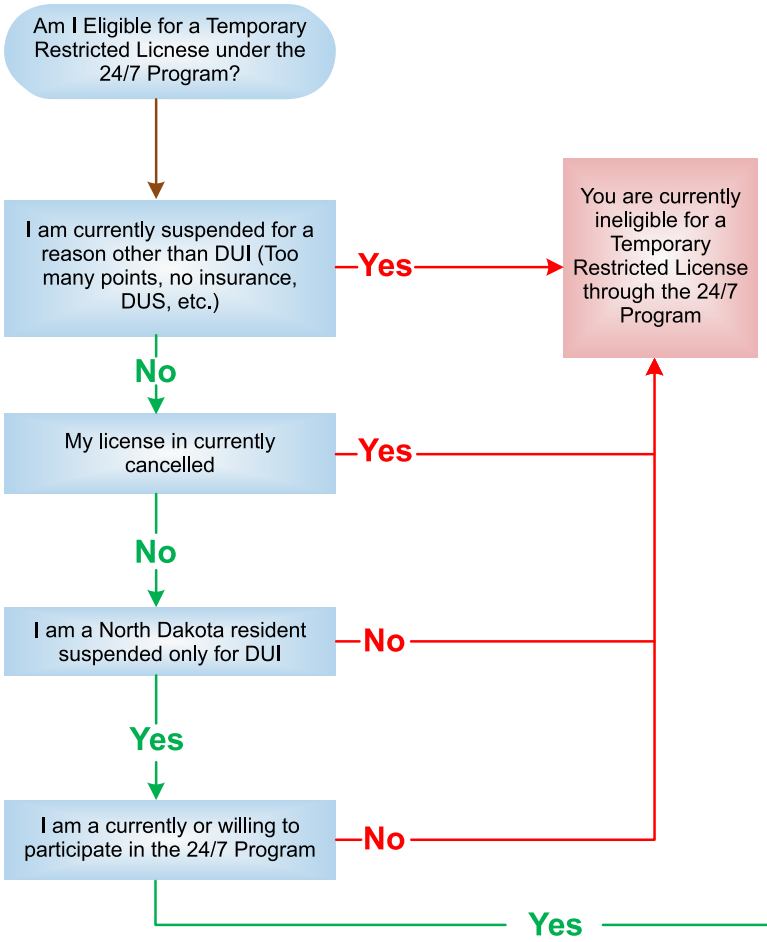
To better help you determine your eligibility for a Temporary Restricted License (work permit) under the 24/7 Sobriety Program, please review the flow chart below.

The North Dakota Department of Transportation's Driver's License Division fully supports the efforts to keep alcohol from mixing with driving on the highway. We are able to provide a Temporary Restricted License, commonly known as a work permit, to ND residents who successfully participate in the 24/7 Sobriety Program, and who are otherwise eligible for the license. Work through the steps below to see if you may be eligible for the license, and if so, follow the steps on the right to obtain yours.



Congratulations, it appears you may be eligible for a Temporary Restricted License through participation in the 24/7 Program

The Driver's License Division manages the Temporary Restricted License (TLR) Program. If you have reached this point in the process, you may call (701) 328-2601 to begin the process, or to speed up processing time, follow the steps below.

Go online and download the Temporary Restricted License Application Form, SFN 2254.
Use this link:

You will need to fill out all of the pertinent information on the applicaion, sign it and mail it to the Driver's License Division at the address on the application form.

Next you will need to go online and download the 24/7 Verification Form, SFN 60363.
Use this link:

If you are voluntarily participating (it is not court-ordered) in the 24/7 Sobriety Program you will need to request an Eligibility Letter to be sent to you to provide to the law enforcement agency in your area along with the Temporary Restricted License/Twenty-Four Seven Sobriety Program participation form.

You will need to fill in your identification information on this form and take it to the testing location where your will be performing your alcohol breath test. The testing official will take the form from you, and once entered in their system and you are a participant in the 24/7 program, they will mail/fax the form to the Driver's License Division.

Only after we receive both the application to verify your eligibility and the 24/7 participation form will we process your request for a Temporary Restricted License. After we complete our actions we will send you notification by mail. And remember, your Temporary Restricted license will only be valid while you are successfully demonstrating you are alcohol free through your testing unit twice a day. If you fail 24/7, you will lose your Temporary Restricted License.
