Construction to begin on ND Highway 1806 south of Mandan

Weather permitting; construction will begin Friday, June 8, on ND Highway 1806 south of Mandan. Work consists of milling and roadway resurfacing.

During construction:

- Speeds will be reduced
- A 12-foot width restriction will be in place
- Motorists may experience brief delays
- Flaggers and pilot cars may be present

The project is expected to be completed in mid-June.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
