**REQUEST FOR PROPOSALS  
TO PERFORM  
CONSTRUCTION ENGINEERING SERVICES  
FOR MCINTOSH COUNTY**

McIntosh County will engage the services of a qualified engineering firm to perform Construction Engineering on the following project to be completed in 2025:

CERP-2635(072), PCN 24084 – Inslope Repair

Work to be performed by the Consultant includes:

Construction Engineering Services, including but not limited to construction survey, project administration, construction observation, material testing and record keeping using the NDDOT CARS system. All work shall be performed to NDDOT standards and procedures.

Firms are invited to submit a proposal for the project listed above. The Proposals shall provide the following information:

- Past Performance
- Ability of professional personnel
- Willingness to meet time and budget requirements
- Location
- Current and projected workloads of the persons and/or firms
- Related experience on similar projects
- Recent and current work for the County
- Project understanding, issues, & Approach

The proposal pages shall be numbered and must be limited to 8 pages in length. Proposals that exceed the 8-page length requirement will not be considered. The cover letter will not be counted as one of the 8 pages. The proposal should list the personnel who will be assigned to work on the project, including titles, education, and work experience. McIntosh County will only consider proposals received prior to **11:00 AM, March 3, 2025**. Late proposals will be deemed unresponsive.

The consultant's proposal may include an appendix. Resumes, references, a statement of qualifications and other materials outlining experience may be included in an appendix. The appendix will not be considered as a part of the 8-page proposal. Each proposal will be evaluated by a selection committee.

McIntosh County will conduct interviews. The County plans to interview up to three (3) of the most qualified engineering firms based on whose proposals most clearly meet the RFP requirements. Interviews will take place on a date to be determined by the County. Firms not selected to be interviewed will be notified in writing.

Fees shall be negotiated with the successful firm. If the fee cannot be agreed upon, the County reserves the right to terminate negotiations, and then negotiate with the second and third ranked firms in order, if necessary, until a satisfactory contract has been negotiated.

All costs associated with the proposal shall be borne by the proposer. The County reserves the right to reject any and/or all proposals and to not award contracts for any and/or all projects. Engineering firms interested in performing the work shall submit five (5) hard bound copies and an electronic pdf file of their proposal to:
