

COMMENT CARD

The North Dakota Department of Transportation (NDDOT) and the City of Grand Forks, in cooperation with the Federal Highway Administration (FHWA) are proposing a roadway reconstruction project along US Highway 81 (North Washington Street) from 1st Avenue North to 8th Avenue North to improve traffic operations and safety along the corridor.

Project improvements include concrete pavement section, ADA compliant sidewalks, paved boulevards,

access management, signal removal (2nd Avenue North), storm sewer improvements, roadway lighting, and traffic signals (University Avenue and 5th Avenue N). We want to hear your feedback! Please share your general comments or questions about the project: Would you be in favor of the following corridor design modification(s)? (circle all that apply) Yes | No 3/4 Access at Unsignalized Intersections Raised Median Yes | No Why? Please provide your contact information: Name: _____Email:_____ Representing:
