

North Dakota Department of Transportation NEWS

608 East Boulevard Avenue, Bismarck ND 58505-0700 Fax 701-328-1420 TTY 1-800-366-6888

January 27, 2014
Issued as of 6 a.m.

US-83 northbound and southbound lanes are OPEN from Bismarck to Minot; No Travel Advisory LIFTED for north central region of North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have **OPENED** US-83 from Bismarck to Minot.

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have **LIFTED the No Travel Advisory** for north central North Dakota including the cities of Minot and the surrounding areas.

I-29 remains **CLOSED** from the Canadian border to the South Dakota Border due hazardous travel conditions.

I-94 remains **CLOSED** from Bismarck to Fargo due hazardous travel conditions.

ND Hwy 13 from I-29 to Wahpeton remains **CLOSED** due hazardous travel conditions.

A **No Travel Advisory** remains in effect for Devils Lake, Grand Forks, Bismarck, Jamestown, Valley City, Wahpeton, and surrounding areas due to blowing and drifting snow causing zero visibility.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov. NDDOT releases information to inform the public about travel conditions throughout the state. The three categories are as follows:

1. **TRAVEL ALERT** – Motorists can still travel but may encounter areas of challenging winter weather driving conditions on roadways. Motorists should allow extra time to reach their destination and be alert to conditions that may make travel difficult, change rapidly, or cause travel delays. A TRAVEL ALERT has the potential to change to a NO TRAVEL ADVISED if conditions deteriorate.
2. **NO TRAVEL ADVISED** – Motorists should not travel due to hazardous conditions which may make it unsafe to travel. Snowplows may be pulled from the roads during severe conditions. Motorists should take NO TRAVEL ADVISED seriously as those motorists who choose to travel at their own risk may become stranded and emergency responders may not

be able to reach them safely. A NO TRAVEL ADVISED has the potential to change to a ROAD CLOSED OR BLOCKED if conditions deteriorate.

3. **ROAD CLOSED OR BLOCKED** – Motorists are not allowed to travel on a closed road due to life threatening conditions. The road may be impassible or blocked. Motorists who drive past a road closure device may be fined up to \$250.

Please be advised that road condition information on 511 and the travel map is updated daily from 5 a.m. until 9 p.m. CDT. The road report is based upon the information available to the NDDOT at the time of preparation and is provided solely as a public service. Conditions may vary from those reported.

If you become stranded, motorists should stay with their vehicle and call 911 for emergency assistance.
