Lane to be closed Thursday evening at the intersection of ND Highway 23 and ND Highway 1804 in New Town for paving

Traffic will be reduced to one lane Thursday, August 7, in the evening for paving work from the intersection of ND Highway 23 and ND Highway 1804 to 7th Street North in New Town beginning at 8 p.m. Crews will be working Thursday night and Friday morning to pave the northbound lane of ND Highway 1804. This project includes reconstruction of this intersection, paving, new intersection signals and an additional center turn lane on ND Highway 1804.

During construction:

- Speeds will be reduced to 25 mph
- Motorists should expect delays
- Flaggers will be in place
- A 11-foot width restriction will be in place

The lane restriction will be removed at 8 a.m. on Friday, August 8th.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement in this very fast growing part of the state to get motorists where they need to go safely. To learn more about this year's projects visit www.nddotwilliston.com.
