

August 12, 2014

Construction begins Tuesday, August 19, on US Highway 2 from the bypass around Leeds to the east junction of US Highway 281

Construction begins Tuesday, August 19, on US Highway 2 from the bypass around Leeds to the east junction of US Highway 281. Work will consist of asphalt improvements.

During construction:

- West bound traffic will be reduced to one lane, with frequent changes throughout the project
- Speeds will be reduced to 40 mph through work area
- A width restriction of 12 feet will be in place
- Flaggers may be present
- Pilot cars will be present when required
- Motorists may experience 5-10 minutes delays

The project is expected to be complete at the end of September, weather permitting.
