Construction begins on Medora Business Loop September 8

Construction begins Monday, September 8, on the I-94 Medora Business Loop from the east interchange to the west interchange. During construction, motorists are advised watch for trucks exiting and entering highway.

During construction:

- Speeds will be reduced to 25 mph through work area
- A width restriction of 15 feet will be in place
- Flaggers may be present
- Pilot cars will be present when required
- Motorists may experience minimum delays

Some oil may be present on the roadway during construction. The project is expected to be complete at the end of September, weather permitting.
