## **Night time construction to take place the evening of October 16 on US Highway 2 and the 18th Street Underpass Project in Williston**

Overnight construction will begin at 8 p.m. on Thursday, October 16, on US Highway 2 between Box Elder Street and 9<sup>th</sup> Avenue Northwest in Williston. Night time construction work will take place on the 18<sup>th</sup> Street Underpass from 8 p.m. October 16 to 8 a.m. on Friday, October 17.

The NDDOT asks motorists to please slow down and obey the speed signs to keep motorists and work crews safe during this nighttime project.

During construction:

- Speeds will be reduced through the work area
- Flaggers will be present
- Motorists may experience minimum delays

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement in this very fast growing part of the state to get motorists where they need to go safely.
