Travel Alert issued for southwest and south central North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have issued a **Travel Alert** for southwest and south central North Dakota due to wet and slippery road conditions and snow covered roadways. Roads may become icy through the overnight hours as temperatures fall. Cities included in the **Travel Alert** are Dickinson, Bismarck, Selfridge, Jamestown, Ellendale and surrounding areas. A **Travel Alert** means conditions are such that **motorists can still travel** in these areas, but should be advised of rapidly changing conditions. Motorists are encouraged to reduce speeds and drive according to the conditions.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov. NDDOT releases information to inform the public about travel conditions throughout the state.
