ND Highway 23 lane shift east of Watford City to begin on Friday, July 17

Beginning Friday, July 17, traffic will be shifted onto the newly paved northern portion of ND Highway 23 east of Watford City from the 118th Ave NW intersection to the 122nd Ave NW intersection. The southern portion of the roadway will be closed to allow crews to prepare for paving work. Motorists should use caution when traveling through the area.

During construction:

- Motorists should expect delays
- Flaggers will be in place
- Speeds will be reduced to 25 mph
- A 12-foot width restriction will be in place
- Traffic will be head-to-head in some areas

Various traffic restrictions will be in place on this portion of ND Highway 23 throughout the construction season.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
