Construction begins June 22 on US 83 from the MAFB to the US 83 west Bypass in Minot

Construction begins Wednesday, June 22, on US 83 in the northbound and southbound roadways from the Minot Air Force Base (MAFB) to the junction of the US 83 west Bypass in Minot. The project will consist of paving and rumble strips.

During construction:

- Traffic will be reduced to one lane in each direction
- Speed limit will be reduced in construction zone
- Flaggers will be present
- A width restriction of 15 ft. will be in place
- Oil may be present on the roadway
- Delays should be minimal

The project is expected to be complete in mid-August.
