Water on roadway on Highway 11 west of Ellendale

Due to a recent rainstorm, the North Dakota Department of Transportation (NDDOT) is reporting water on the road on ND Hwy 11, approximately 14 miles west of Ellendale. Signs are in place and flaggers will temporarily direct traffic through the area until the water recedes. Motorist are asked to reduce their speeds and use caution when traveling through this area as fluctuating water levels may be hazardous to motorists.

The NDDOT encourages motorists to check road conditions before traveling due to rapidly changing conditions. For updated road information, call 511 from any type of phone or go to the Travel Information Map on our website at www.dot.nd.gov.
