INSTRUCTIONS FOR COMPLETING THE NMVTIS JSI DATA VERIFICATION

Section 1

1A: The Reporting Entity must verify if the JSI data was reported because the vehicle sustained damage* by checking YES or NO to the question.

If YES, proceed to Section 2. If NO, complete question 1B.

**Damage is defined as body or structural damage from a vehicular crash or accident including loss by fire, vandalism, weather, or submersion in water, resulting in damage to the motor vehicle. The term damage does NOT include body or structural modifications, normal wear and tear, glass damage, hail damage, or items of normal maintenance and repair.*

Section 2

2A: The Reporting Entity must verify if the damage* is equal to or exceeds the greater of \$10,000 or twenty-five percent (25%) of the pre-damage retail value of the motor vehicle by checking YES or NO to the question.

If YES, complete question 2B.

DAMAGE DISCLOSURE FORMULA	
<p><i>*The amount of damage to a motor vehicle is determined by adding the retail value of all labor, parts, and materials used in repairing the damage. See NDCC 39-05-17.2 for further information on calculating the Assessed Damage of a vehicle.</i></p>	
1. Calculate 25% of the retail value of the vehicle at the time the vehicle was damaged.	
2. Which is the higher amount 25% of the retail value of the vehicle or \$10,000?	
3. What is the amount of the assessed damage?	
4. The assessed damage amount must be greater than the higher amount from step 2 to be a damaged vehicle.	
EXAMPLE 1	EXAMPLE 2
1. \$15,000 (retail value) X 25% = \$3,750	1. \$50,000 (retail value) X 25% = \$12,500
2. \$3,750 OR \$10,000 = \$10,000 is higher	2. \$12,500 OR \$10,000 = \$12,500 is higher
3. Assessed damage is \$7,000	3. Assessed damage is \$13,000
4. Check NO on JSI Verification form	4. Check YES on JSI Verification form

2B: The Reporting Entity must verify if the damage* exceed seventy-five percent (75%) of the motor vehicles retail value by checking YES or NO to the question.

If YES, complete question 2C.

**Vehicles damaged in excess of 75% may not be operated on ND highways unless they have been reconstructed and inspected by a business that is registered with the Secretary of State, is in good standing, and offers motor vehicle repairs to the public. (SFN 2486 Certificate of Vehicle Inspection) The business completing the inspection may not be the same business that reconstructed the vehicle. If a vehicle has been reconstructed, a certificate of title will be issued with a "previously salvaged" brand status. Salvage requirements apply to all model year vehicles and all brands must be carried forward regardless of the age of the vehicle.*
