Tentative Construction Schedule is April 2019 - November 2019

• A width restriction of 11' will be in place near McKenzie Drive, Memorial Highway and eastbound I-94 (Exit 156) and a height restriction of 15' 6" will be in place on eastbound I-94 (Exit 156).
• Lane reductions will affect traffic between Bismarck and Mandan.
• Motorists traveling through the corridor should expect delays especially during peak traffic hours.
• NDDOT is working together with the State Highway Patrol, City of Bismarck, City of Mandan and emergency services personnel to ensure all communication throughout the project is clear and our roadways remain safe.
• Project work consists of concrete pavement repair, asphalt overlays and bridge work on several bridges.
