Traffic Detour on Interstate 94 at the Mandan Ave Exit Later Today

BISMARCK, N.D. – Beginning at approximately 8:00 pm Wednesday and ending at approximately 8:00 am Thursday westbound traffic on I-94 will be detoured from the Interstate at exit 153 (Mandan Ave.). Traffic will be diverted to the off ramp, across Mandan Ave, and then onto the on-ramp to return to the Interstate.

The detour is required to repair asphalt shoulders that will be used as roadway next week when bridge work will be done.

I-94 will be open to traffic at all times throughout this process, utilizing a combination of lane closures and head-to-head traffic. Width restrictions will be in place and the speed limit will be reduced to 45 mph or lower at times throughout the construction zone. Construction work is expected to be completed in late fall.

The North Dakota Department of Transportation (NDDOT) encourages local motorists, which include businesses and commuters, to plan ahead before traveling by checking for regular updates on construction progress on [www.i94bisman.dot.nd.gov](http://www.i94bisman.dot.nd.gov) or I-94 Mandan/Bismarck Expressway Project on Facebook.
