Attachment: Map Update

Bismarck Expressway Interchange Bridge to Open Tuesday

BISMARCK, N.D. – The eastbound Memorial Hwy/Bismarck Main Ave Interchange on the Bismarck Expressway that takes travelers into Bismarck will be re-open beginning Tuesday. This bridge was previously closed for repairs. Please see attached map for details.

I-94 will be open to traffic at all times throughout this process, utilizing a combination of lane closures and head-to-head traffic. Width restrictions will be in place and the speed limit will be reduced to 45 mph or lower at times throughout the construction zone. Construction work is expected to be completed in late fall.

The North Dakota Department of Transportation (NDDOT) encourages local motorists, which include businesses and commuters, to plan ahead before traveling by checking for regular updates on construction progress on www.i94bisman.dot.nd.gov or I-94 Mandan/Bismarck Expressway Project on Facebook.
