

COMMENT CARD

The North Dakota Department of Transportation (NDDOT) in cooperation with the Federal Highway Administration (FHWA) is proposing a structure repair to a bridge located on Highway 10, 4 miles east of ND 18 over Swan Creek between Mapleton and Casselton. This project will repair an aging and deteriorating structure to increase the lifespan of the bridge. We want to hear your feedback!

Please share your general comments or questions about the project:

Which Alternative do you prefer? *(circle all that apply)*

Alternative A – No Build Yes | No

Alternative B – Structure Repair Yes | No

Why?
