## **Construction Records Manual Updates**

Section	Page	Description	Date
3	11	Added guidance for diaries on tied projects.	7/2/2024
1-8	Various	Updated various web links throughout the manual.	5/2/2024
7	4	The Project Engineer's Report on Materials Acceptance is now completed in CARS (rather than a manual form). A link has been added to the CARS Main Menu.	12/12/2023
7	4	Project Narrative Report link added to CARS Main Menu. Utilizing this link to open the Project Narrative Report form will auto populate the top portion of the form.	6/1/2023
3	20	CARS Materials Dropbox: Added 'Miscellaneous Documentation' as an option under Materials Form Name.	5/11/2023
5	5,8,15	Clarified that approval authority levels apply when adding time to a Contract & subtracting time from a Contract (reducing the completion date.)	5/11/2023
7	5	Added guidance that borrow pits are required to be listed on form SFN 10061 Statement of Material Taken from Pits.	5/11/2023
4	8	Additional guidance on fog oil and tack oil certifications.	2/24/2023
5	23	Use form SFN 14462 Statement of Daily Force Account Work to track the cost of force account work. The CARS Force Account module is no longer active.	2/24/2023
7	5	SFN 10061 Statement of Materials Taken from Pits form will soon be updated: The Unit Price, Dollar Amount, and Date Paid to Owner columns are no longer required.	2/24/2023
7	7	Additional As-Built Guidance: Work Drawings must be included with As- Built plans	2/24/2023
3	30	Removed default Specifications from 'Specifications of Emphasis' section of the Preconstruction Conference Template	12/20/2022
4	7-8	Added guidance for the Submittal 'NTPEPInfo' for geosynthetic bid items in the CARS Certification Manager	7/27/2022
7	4	Clarified that all bid items should be listed on the Project Engineer's Report on Materials Acceptance (SFN 10110)	7/27/2022
7	5	Updated guidance for Statement of Materials Taken from Pits (SFN 10061)	6/8/2022
1	7	Clarified that requests to sublet from 2 <sup>nd</sup> tier subcontractors should be routed through the Prime Contractor to the Engineer.	5/20/2022
1	7	References to SFN 60597 (Commercially Useful Function Certification) were removed. This form no longer exists.	4/28/2022
4	6	Added guidance for the Submittal 'NTPEP Info' for water-based paint bid items in the CARS Certification Manager	4/20/2022
2	8	NDDOT Engineers can now assign consultant employees to NDDOT-led projects. Consultant Engineers can now assign employees from other consultant firms	4/18/2022

2	11	Moved the majority of Materials Dropbox information to Section 3	4/18/2022
3	18	Materials Dropbox information is now located here	4/18/2022
3	20	The Asphalt Paving Workbook should be uploaded into the Materials Dropbox in Excel format, not converted to pdf	4/18/2022
5	20	The District Engineer (or Asst. District Engineer) can now recall an approved Progressive Estimate up until the point it is approved by the Construction Engineer	4/18/2022
1,3	Various	Removed references to Civil Rights procedures. Refer to relevant NDDOT Civil Rights Division manuals for information on these topics.	3/11/2022
3	12	Added guidance for when Engineer/Project Manager is also the inspector	2/2/2022
4	12	Added section for CARS Mobilization Payments	2/2/2022
5	23-25	Updated Force Account Section	2/2/2022
5	15	Added guidance for local agency time extensions	2/2/2022
7	7	Updated As-Built Plans Section	2/2/2022
7	5	Removed DBE Participation Certification section	2/2/2022
3	7	Additional guidance for documentation of traffic control inspections in daily diaries	6/10/2021
8	20	It is now possible to upload NOI documents into CARS through the Contractor NOI/Claims module – Written Notice Stage	6/10/2021
8	5	Added information (and an example) related to measured mile, productivity, and inefficiency	6/10/2021
3	14	CARS Schedule Dropbox Instructions	6/7/2021
4	29-34	Additional guidance for Certificates of Compliance. Also updated examples of acceptable and unacceptable CoC forms.	5/26/2021
1	8	Added the email address to use when emailing requests to sublet to Construction Services Division	4/26/2021
7	4, 10	New Project Narrative Template	3/9/2021
3	24	Example Preconstruction Conference Agenda: Added discussion of governing specifications as a topic	12/30/2020
3	17-18	Additional guidance on adding Maintenance Activities to Travel Information Map	10/20/2020
8	Various	Many updates throughout Section 8	10/20/2020
5	18	Added "Automated Progressive Estimate Emails" section	8/13/2020
3	3	Added progressive estimates as an item to be discussed at the preconstruction conference	7/13/2020
3	20-24	Added progressive estimate section to the Example Preconstruction Conference Agenda	7/13/2020
5	5	Clarified that change order totals are cumulative, not net.	6/25/2020
1	8	Requests to Sublet should be emailed to Construction Services Division. They should no longer be mailed.	4/14/2020
2	12	Schedules should be uploaded to CARS/Filenet	4/14/2020

		Removed requirement that paper copies of Time Extension Requests be	
		mailed to Construction Services Division. These documents can be emailed	
2	13	to Construction Services Division.	4/14/2020
		This section also referenced paper copies of Requests to Sublet, which are	
		now emailed to Construction Services Division.	
		Added a section for called 'Schedules'. This section reiterates that all	
3	14	schedules should be uploaded to CARS/Filenet.	4/14/2020
	7	Updated the As-Built section to reflect our current practice of uploading as-	4/44/2020
7	7	builts to Filenet using the Finals Checklist in CARS.	4/14/2020
3	12, 13	Added information about new functionality for running CARS Diary Reports.	1/21/2020
		The CARSTime for Completion Report is no longer used for final records.	
6	4	The Contract Time for Completion should be completed using SFN 5660	1/21/2020
		Contract Time for Completion Summary.	
2	6,7	Added guidance for assigning testing companies and testing company	
	0,7	personnel in CARS	10/31/2019
5	18	Added guidance for withholding progressive estimates	9/27/2019
5	14, 15	Moved Time Extension guidance from Section 7 to Section 5. Added	
		guidance and an example.	9/13/2019
7	Various	Many updates throughout Section 7	9/13/2019
4	18-20	Added guidance and examples for CARS Stockpiles	6/12/2019
1	10	Updated Construction Project Filing System section	5/3/2019
2	5	Changed text field lengths for Project Diary & Inspection Diary sections	5/3/2019
2	6	Added CARS Assigned Testers section	5/3/2019
2	9-11	Added CARS Materials Dropbox instructions and guidance	5/3/2019
3	5-12	Updated CARS Project Diary and Inspection Diary instructions and guidance	5/3/2019
3	7	Added guidance for entering Contract Time in CARS	5/3/2019
	21	Updated Preconstruction Meeting Template (#7 Payrolls section) to reflect	
3	21	current practices utilizing LCP Tracker	5/3/2019
5	4-8	Updated Change Order approval authority levels	4/11/2019
1	3,9,10	Updated guidance for labor compliance and payrolls using LCPtracker	6/26/2018
2.5	4 10	Guidelines for collecting contractor email addresses used for emailing	
3,5	4,19	copies of CARS estimates	5/8/2018
3	4, 18	Updated Preconstruction Conference Agenda Template – Added guidance	
5	4, 10	to #9: Erosion and Water Pollution Control	4/4/2018
5	3	Added guidance for NEPA Reassessment on Change Orders	11/8/2017
5	3	Added guidance for Functional Design & Inherent Variability	11/8/2017
5	13	Updated routing information for change orders.	9/1/2017
8	8, 25	Added disclaimer language for draft NOI & Claim response letters.	4/12/2017
5	11-13	Instructions for Change Order Electronic Signature Process.	3/22/2017
1	6	Wording changed to make paper files optional.	9/27/2016
2	11	Store certifications and submittals in CARS Certification Module.	9/27/2016
2, 7	13	Upload Final Checklist Items to CARS Final Checklist Module.	9/27/2016
3	7	Section on instructions for CARS diary attachments added.	9/27/2016
3	9	Progress Reports require signatures during liquidated damages	9/27/2016
4	4	Instructions for CARS Certification Module added.	9/27/2016
4	18	Instructions for CARS Fuel Cost Module added.	9/27/2016
4	10		5/2//2010

3, 5, 7 FHWA oversite guidelines removed. 5/16/2016   1,2,4,5,6,7 Various updates to reflect Quantity Manager implementation. 4/12/2016   1 6 Project filing system modified. 4/12/2016   4 Documentation requirements modified to require attachment of source documents on various items. 4/12/2016   4 9 Guidelines dod stockpiles modified to match spec book. 4/12/2016   4 15 Guidelines for Stockpiles modified to match spec book. 4/12/2016   1 Requirements modified for project files and books submitted with final. 4/12/2016   1 Revised project filing, labor compliance, and payroll guidelines. 3/23/2016   1 7, 8 Established guidelines for whorn sublets are not required. 3/23/2016   1 7, 8 Signatures requirement modified for quantities documented by field measurements. 3/23/2016   3 9, 10 Weekly progress report requirements modified. 1/21/2016   4 8 Guidelines for documentation of signs, posts, and inlets added. 1/12/2016   4 8 Manual updates will not be distributed. Printing of manual is discouraged, refer to web version frequently. 10/15/2015   70c Hyperlinks added	4	26	Instructions for Certification Special Provision added.	9/27/2016
1   6   Project filing system modified.   4/12/2016     4   Documentation requirements modified to require attachment of source documents on various items.   4/12/2016     4   9   Guidelines added for electronic signatures.   4/12/2016     4   15   Guidelines for Stockpiles modified to match spec book.   4/12/2016     4   25   Documentation examples added.   4/12/2016     7   6   Requirements modified to project files and books submitted with final.   4/12/2016     1   Revised project filing, labor compliance, and payroll guidelines.   3/23/2016     1   Telephone, Utilities; Hardware, Lumber, and Other Miscellaneous I tems.   3/23/2016     4   3   Signatures requirement modified for quantities documented by field measurements.   3/23/2016     4   3   Signatures requirements modified.   2/29/2016     4   6   Guidelines for documentation of signs, posts, and inlets added.   1/12/2016     4   8   Weight tickets no longer sent to central office when Haul Sheet is source document.   10/15/2015     6   Specification references updated to match 2014 spec book.
